How to Use This Document Pack

All reference PDFs are stored in the **same folder** as this index file. Click any document title below to open the linked PDF (requires a PDF reader that supports file links, e.g. Adobe Acrobat or Chrome).

Keep the full set together when sharing with stakeholders — links use relative filenames and will not resolve if files are moved apart.

Recommended Reading Order

For first-time client review of the Phase 0 blueprint package:

1. [Project Master Overview](#) — Project hub — phases, screen inventory, prototype links, and client dependencies.
2. [Phase 0 Blueprint Acceptance Form](#) — Blueprint attestation, scope checklist, and Public Inquiry decision — for client signing.
3. [Lead Lifecycle Summary](#) — Six-stage lead pipeline, allowed transitions, entry paths, and agent actions.
4. [Software Requirements Specification](#) — Authoritative requirements baseline for Phases 0–3 (functional, data, integrations, acceptance).
5. [Phase 0 Blueprint Deliverable](#) — Phase 0 deliverable status, Figma links, and full screen inventory.
6. [Deployment Checklist](#) — Pre-deployment checklist, go-live gates, security hardening, and handover items.
