SRS BASELINE

SRS v1.0 (companion document)

This document is confidential and prepared exclusively for Alsultania Travel and Tourism Co. L.L.C and AnyMatch Technologies Private Limited.

Purpose

By signing this form, the Client approves the **Phase 0 Rapid Implementation Blueprint** and accepts **SRS v1.0** as the authoritative requirements baseline for design, development, testing, and acceptance across Phases 1–3.

This form is submitted together with the Software Requirements Specification. The signed copy is retained outside the repository (email, DocuSign, or other agreed channel).

Referenced Deliverables

The Client confirms review of the following materials:

Deliverable	Location / Link
Software Requirements Specification	<code>docs/requirements/SRS.md</code> — version 1.0
Figma design blueprint	design-travel_crm
FigJam ERD and screen flows	FigJam board
Interactive HTML prototype	Interactive Prototype (cover page) — preview locally per Project Master Overview §10
Blueprint deliverable summary	Blueprint Deliverable Summary

Attestation Checklist

The Client confirms each item below (per SRS §9.2):

- ☐ All **37 application screens** reviewed (SRS Appendix A screen inventory)
 - ☐ **Data architecture ERD** reviewed (FigJam board)
 - ☐ **Component blueprint library** reviewed (**Component Blueprint Library**)
 - ☐ Blueprint accepted as **locked baseline** for development (SRS §2.5)
-

Scope Decision — Public Website Inquiry (SRS §4.1.3b)

The public website inquiry flow (Screens 05b–05d, phone OTP verification, auto-assignment) is a Phase 0 blueprint elaboration under Advanced Lead Management. The Client shall select **one** option:

Option	Effect
Accepted	Screens 05b–05d, FR-18n–FR-18t, EXT-07, SMS gateway dependency, and SRS Appendix C §1a are in scope for Phase 1
Declined	Public inquiry flow is out of scope ; leads captured via staff manual entry or other channels only; SMS gateway not required for Phase 1 go-live

Client selection (check one):

- ☐ **Accepted** — Public Website Inquiry is in scope for Phase 1
- ☐ **Declined** — Public Website Inquiry is out of scope for Phase 1

Terms Acknowledged

By signing, both parties acknowledge:

- The blueprint defines **structural design** (flows, fields, layouts) — not custom branding beyond the approved structural baseline (SRS §1.2, §2.5)
 - Post-approval scope changes require **written agreement** between Client and Vendor
 - **Client dependencies** (server, WhatsApp API, SMS if accepted, SMTP, etc.) are as listed in SRS §9.6 and Appendix D
 - **Commercial terms and pricing** remain governed by the accepted proposal only (SRS §9.1.1)
-
